13. Background of the Institution

Lord Jegannath College of Engineering and Technology (LJCET) was established in the year 2006. LJCET is situated in a serene, green and vast campus at Ramanathichenputhur, 15 Kms east of Nagercoil and 15 Kms north of Kanyakumari. LJCET is a unique engineering college in Kanyakumari district providing quality technical education. The college has a vital force in inculcating Engineering Education to more than 500 B.E / B.Tech Student coming across the state every year. Currently our college is having seven UG courses and seven PG courses. Awaiting of approval for one more new UG course to start from the coming academic year.

Experienced and learned teachers nurture the students by providing them practical training and extra training beyond books. The college also empowers the students to excel during campus placement by providing them special placement training. The heart of our institution beats with the slogan "Work is Worship".

14. Other Features

- ❖ Fully WiFi campus – 40 Mbps.
- ❖ Excellent placements.
- ❖ NSS units.
- ❖ Exclusive aptitude training and personality development programmes.
- ❖ High-profile experienced and dedicated Faculty.
- ❖ Physical Education Department with multi-gym & recreational facilities for gents and ladies.

15. Management of the College

The college was founded and run by PSN Education and Charitable Trust, P.S. Nadar Building, court road, Nagercoil. The trust was founded with a view of promoting the technical education to the neglected rural youth by the great visionary **Dr.P.Suyambu Nadar**, our chairman along with his team of charitable personalities as board of trustees. Our chairman has succeeded in achieving his dreams and now because of his efforts he runs eight educational institutions including five Engineering colleges, two polytechnics, two college of education and a medical college in the making. Our chairman is a learned person with a Doctorate in Law.
